

Extension Agreement

This Extension Agreement is made and entered into as of 1 January, 2019, by and between the Foundation for the Advancement of the Science and Technology of Light Sources (hereinafter called "FAST-LS") and the Illuminating Engineering Institute of Japan (hereinafter called "IEIJ").

WHEREAS, FAST-LS and IEIJ have entered into "Co-operation Agreement between FAST-LS and IEIJ: Symposia on the Science and Technology of Lighting (LS:X)" on 1st January, 2013 (hereinafter called "Original Agreement") for jointly promoting activities relating to the dissemination and development of the science and technology of lighting;

WHEREAS, FAST-LS and IEIJ desire to extend the Original Agreement by a further period of years to continue the co-operation; and

NOW, THEREFORE, in consideration of mutual covenants contained herein and intending to be legally bound hereby, FAST-LS and IEIJ agree as follows:

1. The term of the Original Agreement shall be renewed for five (5) years period until December 31, 2023.
2. The name "Journal of Light and Visual Environment" appearing in the Original Agreement be replaced with "Journal of Science and Technology in Lighting."
3. All other terms and conditions of the Original Agreement shall remain unchanged and in full force and effect.

IN WITNESS WHEREOF, the Parties have executed this Extension Agreement as of the date of signature hereof by representatives of the Parties.
