

Poster Session (27 papers)

(The posters are exhibited until the end of oral session)

Place: G building lobby

No.	Title	Presenter
poster 1	The Study for color and Interior Lighting Atmosphere Evaluation under LED Lighting	JUNG, Seung-Gyun
poster 2	The impact Energy saving of China's Phase out Incandescent Lamp	LIU Hong, LIU Shiping
poster 3	Designing of Convenience Store That Applies LED Lighting	KOBAYASHI Kiyoyasu
poster 4	Comparison and Analysis on Luminous Efficiency of Bulb Type LED Lamps Measured using both Absolute Goniometer and Integrating Sphere	JEON, Sang-Kyoo
poster 5	LED standard system and its development in China	HUA Shuming
poster 6	Development of High Efficiency LED Downlight "E-CORE™2000"	HIGUCHI Kazunari
poster 7	Reliability Analysis for Degradation data on LEDs	PARK, Chang-Kyu
poster 8	Design of LED Fish Gathering Lamp with a Thermally Optimized Cooling System	JANG, Sun Ho
poster 9	A Study of stability of an Induction Lamp System	YAMAMOTO Shohei
poster 10	A Study on Arc Tube of Ceramic Metal Halide Lamp	LI Guangan, WANG Haiou
poster 11	Analysis of The Silicon Cell's Spectral Response	CHOI, Seok-Joon
poster 12	Wireless Controlled Dimming Systems for Metal Halide Lamps	OSATO Tomokazu
poster 13	Development of ceramic metal halide lamp with high red color rendition	SASAI Yasushi
poster 14	An Investigation on Photometric Pattern of Motorcycle Headlamps in Chinese Market	YAO Qi
poster 15	Measurement for Tunnel Lighting Conditions of Expressway	HAN, Jong-Sung
poster 16	Green Lighting & Light pollution: The Key Issues on Shanghai Urban lighting	HAO Luoxi
poster 17	Study on The Lighting Requirements for Makeup - Study on The Lighting Environment with A Dimmer Desk Lamp	YAMAGUCHI Sayaka
poster 18	Study of Ray-Tracing Method for Optimized Road Light Design	CHOI, Dae Seub
poster 19	Survey and Analysis of the Typical Classroom Lighting Environment in Campus B of Chongqing University	YAN Yonghong
poster 20	Effective Use and comfort of Daylight and artificial lighting in a LIVING room	MIYAMOTO Masako
poster 21	Comparison on the lighting environment of living room between China and Korea	KIM, Hyun-Ji
poster 22	Light Leads Old Street	SHEN Haihong
poster 23	Study on the Quantitative Analysis of the Street with a lot of Atmosphere and the Lightscape Design in Tokyo "Shitamachi" Area	MITSUISHI Akihiko
poster 24	Comparison of the Lighting Environment between General House and Elderly House	AN, Ok-Hee
poster 25	A Brief talk on use of new fluorescence search luminaire in high space factory building	XIE Hui
poster 26	Evaluation of Lighting Environments with Perceived Space-Brightness (2)	HONMA Mutsuo
poster 27	Study on Changing Lighting Color as a Remodeling Method Considering the Behavior of Inhabitant in Apartment Living room	SEO, Ji-Eun
